GREENFIELD

NEW HAMPSHIRE

1986

TOWN REPORT

University of New Hampshire
Library

This Town Report
is Dedicated to
the Memory of
FRANK DIERAUF

The Master Plan, and the legislative controls which give it support, are primarily the result of Frank Dierauf's wise and farseeking leadership during three successive terms as Chairman of the Planning Board. He initiated their beginnings, led their progress through many hours of discussion, and guided them to their present form and adoption by the Town.

Frank, and his wife Julie, spent many hours researching the history of the Town Meeting House - pictured on the front of this report - concluding that it was indeed the oldest in New Hampshire in continuous use as gathering place to worship and legislate civil affairs.

His work and his influence contributed much toward making Greenfield a town we can be proud of - a good place to live and to pass on to those who follow.

As a soldier, as a citizen, as a friend, Frank Dierauf brought distinction to everything he did. His was a life of service.

SELECTMEN'S REPORT

During 1986, Greenfield continued to grow. The tax base for 1986 increased by \$ 1,485,516 due to the completion of the two warehouses on Route 31 South and the continued construction of 19 new homes. The facility for East Coast Steel Erectors on the Bennington Road has been completed and occupied and a third warehouse on Route 31 South was started during the year.

Steven Robertson, of Old Bennington Road, was elected to a one year Selectman's term and Richard Buswell was elected to a three year term.

Although the proposed 1987 budget shows increases in department budgets, the amount expected to be raised by taxes is lower than proposed in 1986. This is due to fewer special articles being included in the 1987 budget. We feel that the increase in the tax base should be sufficient to cover the town expenses so that the town portion of our tax rate should not increase, even without the contribution from excess surplus which we received last year.

On the warrant for your consideration this year are several significant capital items: the purchase of a one ton dump truck for the Department of Public Works, a contribution toward the reserve fund for fire equipment, a contribution toward a reserve fund for highway equipment and a contribution toward a reserve for a complete revaluation of the town. These contributions towards reserves for major pieces of equipment, we feel will be important factors in working to maintain a stable town tax rate.

In 1986, for the first time, Police Chief Albion "Skip" Lane, was appointed by the Selectmen instead of being elected by the town. He had previously served the police department's of Jaffrey, Peterborough and Dublin.

The Board of Selectmen would like to take this opportunity to thank the many people who volunteer numerous hours to the town on the Rescue Squad, Budget Committee, Fire Department, Planning Board, Board of Adjustment, Study Committees, Trustees, Fairgrounds Committee, Recreation Committee and elected officials. Greenfield is a stronger and better community in which to live thanks to their unselfish gift of time and devotion to duty.

Sharon Gordon, Chairman
Richard Buswell
Steven Robertson

TOWN WARRANT

Town of Greenfield
State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the tenth day of March, next, to act on the following subjects. The polls will be open at the Town Meeting House from 10:00 A.M. to 7:00 P.M.

Article 1A: To choose all necessary Town Officers for the year ensuing.

Article 1B: To vote by ballot on 10 amendments to the Zoning Ordinance and 1 amendment to the Building Code as follows:

Zoning Ordinance Amendments

Amendment No. 1. In the newly proposed Rural/Agricultural District, increase the minimum lot size requirement from two (2) to five (5) acres and increase the minimum frontage requirement from 250 to 350 feet.

COMMENT: Amendment No. 1 would tailor lot size and frontage requirements to the Master Plan goal of directing growth to the center of Town and along major highways and the goal of preserving the rural atmosphere in outlying areas.

Amendment No. 2. In the Business District, decrease the minimum lot size requirement from 2 to 1½ acres and decrease the minimum frontage requirement from 250 to 150 feet.

COMMENT: Amendment No. 2 would lower lot size requirements in the Business District to dimensions closer to the existing lots within the District.

Amendment No. 3. Amend SECTION II, DEFINITIONS by adding the following paragraph:

M. "Housing" shall mean all residential dwellings containing

a minimum of 320 square feet of living area i.e., bedroom, bathroom and kitchen, which shall include all forms of housing constructions on or off site.

COMMENT: Amendment No. 3 would define the term "housing" as a residential structure containing at least 320 square feet of living area.

Amendment No. 4. Amend SECTION X, SAVING CLAUSE to read:

The invalidity of any provisions of this ordinance shall not effect the validity of any other provisions. If any lot size, frontage, or any other restriction within this ordinance is declared invalid, then the restriction that will apply to that particular item will be that of the next most restrictive district.

COMMENT: To assure continuing minimum lot size and frontage requirements in the event a restriction is declared invalid.

Amendment No. 5. Amend SECTION III, DISTRICTS and SECTION IV, BOUNDARIES OF DISTRICTS by:

- (a) change the name of SECTION IV to GENERAL REGULATIONS AND RESTRICTIONS and delete paragraphs A, B, and C.
- (b) in SECTION III, DISTRICTS, re-number paragraphs B7, D, E, F, G, H, I, and J, to I1, I2, I3 in SECTION III and A, B, C, D, and E in SECTION IV respectively.
- (c) in SECTION III, delete paragraphs A, B (except subparagraph 7), and C and replace with the following:

SECTION III, DISTRICTS

For the purpose of regulating and restricting the use of land and the location, construction, and use of buildings, the Town is divided into four districts, identified and defined as follows: BUSINESS DISTRICT, VILLAGE DISTRICT, GENERAL RESIDENCE DISTRICT, and RURAL/AGRICULTURAL DISTRICT.

Superimposed over certain of the above districts are Special Purpose Districts in which special regulations and restrictions apply. These districts are identified and defined hereinafter as follows: INDUSTRIAL DISTRICT, FLOOD PRONE AREAS, and WETLAND CONSERVATION DISTRICT. In all cases where Special Purpose Districts are superimposed within other zoning districts, that district whose regulations are more restrictive apply.

A. BUSINESS DISTRICT

The Business District shall observe the following regulations and restrictions:

1. This district shall be principally a district for trans-

action of business. However, all uses permitted in the Village District shall be permitted.

2. (Lot size and frontage requirements will be determined by Amendment No. 2) provided however, that a lot with less acreage or less frontage, or both, which is recorded in the Office of Register of Deeds at the time of passage of this amendment shall be deemed a conforming lot. There shall be between the nearest side of any public highway and the extreme front of any building a yard having a minimum depth of 100 feet. There shall be between the nearest part of any building or structure on the lot a side or rear yard of not less than twenty-five (25) feet.
3. No business shall be permitted which is offensive or injurious to nearby residents or the general public, or which does not meet State and Federal environmental and sanitary standards.
4. No entertainment halls shall be permitted in this District except those under public ownership.
5. No building may house more than one (1) family as permanent residents. However, by special exception, the Board of Adjustment may permit the addition of not more than one (1) accessory dwelling unit under the following conditions:
 - a. Such addition is within or attached to the primary dwelling.
 - b. Either the accessory dwelling unit or the primary residence shall constitute the domicile of the person or persons who own the lot on which the residence is situated.
 - c. The accessory dwelling unit shall be occupied as a residence by no more than two (2) persons.
 - d. The accessory dwelling unit shall have a minimum floor area of 300 square feet, but shall not be greater than twenty-five (25) percent of the total floor area of the building.
 - e. The accessory dwelling unit shall have a separate entrance and shall have adequate egress in case of fire or other hazard.
 - f. No change shall be made to the exterior of the residence which would detract from its appearance as a one-family residence.
 - g. The sewage disposal system for the residence, either existing or as it may be modified, shall be shown adequate for all occupants, and shall have been approved by the Building Inspector.

- h. The accessory dwelling unit shall comply with all other ordinances of the Business District.
6. The Board of Adjustment may, by special exception, permit in the Business District a light industry or related operation that will comply with the following conditions and limitations:
- a. Demonstrate that it will not offend neighbors by objectionable odors or excessive noise, and that it will not become a public or private nuisance, by meeting the following requirements:
 - (1) Vibrations: Every use shall be so operated that ground vibration inherently and recurrently generated is not perceptible, without instruments, at any point on the property line of the property on which the use is located.
 - (2) Noise: Objectionable noise due to intermittent beat frequency, or shrillness shall be muffled or eliminated so as not to become a nuisance to adjacent property. No noise shall be perceptible without instruments, at any point of the property line on which the use is located.
 - (3) Odor: Every use shall be so operated as to prevent the emission of objectionable or offensive odors in any such concentrations as to be readily perceptible at any point at or beyond the lot line of the property on which the use is located.
 - (4) Smoke: No use shall be so operated that it degrades the quality of the air by emitting smoke or particulate matter.
 - (5) Discharges: No use shall be so operated that it emits hazardous waste or materials.
 - b. Demonstrate that it will not create traffic problems.
 - c. Provide a setback of at least 100 feet from the nearest edge of the right of way, with no buildings, parking areas, delivery areas, or storage areas less than twenty-five feet from all side and rear boundaries.
 - d. Provide adequate loading and delivery facilities for trucks, and parking areas for employees and others, none of such facilities or areas to be located in the 100 foot front yard portion of the property.
 - e. Meet the requirements of this Ordinance and all statutes of the State of New Hampshire relating to air pollution and the disposal of sewage and industrial wastes.
 - f. Be conducted entirely within enclosed buildings or within enclosed structures.
 - g. Provide appropriate landscaping, including fencing.

and/or shrubs of adequate height and bulk at planting for adequate screening, as deemed necessary by the Board.

h. Limit the height of the buildings and equipment to forty-five feet or three stories.

i. Otherwise meet the requirements of this Ordinance as regards to lot size, frontage, signs, etc.

B. BUSINESS DISTRICT BOUNDARIES

The Business District as defined in SECTION III A shall be bounded as follows:

Beginning at a point 400 feet due north of the former railroad crossing at Forest Road; thence easterly to a point on the west side of the Bennington Road opposite the southwest corner of the churchyard cemetery; thence 400 feet either side of Bennington Road between Forest Road and the northern boundary of the lot now (1987) owned by Wyatt & Janet Fox; thence easterly along the south side of Forest Road to the northeast corner of the Library property; thence southerly on a line parallel and 400 feet east of Slip Road to the railroad right of way; thence northerly and westerly along east and north boundaries of the railroad right of way to the former railroad crossing of Forest Road; thence northerly to the point of beginning.

C. VILLAGE DISTRICT

The Village District shall observe the following regulations and restrictions:

1. It shall be a district of residences only. Manufactured housing, mobile homes and/or travel trailers used as residents shall not be permitted in this District.
2. No building shall house more than one (1) family as permanent residents. However, by special exception, the Board of Adjustment may permit the addition of not more than one (1) accessory dwelling unit under the following conditions:
 - a. Such addition is within or attached to the primary dwelling.
 - b. Either the accessory dwelling unit or the primary residence shall constitute the domicile of the person or persons who own the lot on which the residence is situated.
 - c. The accessory dwelling unit shall be occupied as a residence by no more than two (2) persons.
 - d. The accessory dwelling unit shall have a minimum floor area of 300 square feet, but shall not be greater than twenty five percent (25%) of the total floor area of the building.
 - e. The accessory dwelling unit shall have a separate entrance and shall have adequate egress in case of fire or

other hazard.

f. No change shall be made to the exterior of the residence which would detract from its appearance as a one-family residence.

g. The sewage disposal system for the residence, either existing or as it may be modified, shall be shown adequate for all occupants, and shall have been approved by the Building Inspector.

h. The accessory dwelling unit shall comply with all other ordinances of the Village District.

3. There shall be between the nearest side of any public highway and the extreme front of any building a yard having a minimum depth of 100 feet. There shall be between the nearest side and rear border of any lot a yard of not less than fifty feet.
4. Business is prohibited in this District except as hereinafter provided.
5. The lot area shall not be less than two acres and frontage on a Class V or better highway of not less than 250 feet, provided however, that a lot with less frontage or acreage which is recorded in the Office of Register of Deeds at the time of passage of this amendment shall be deemed a conforming lot.

D. VILLAGE DISTRICT BOUNDARIES

The Village District as defined in SECTION III C shall be bounded as follows:

Beginning at a point 400 feet due north of the former railroad crossing at Forest Road; thence northerly to a point on the Bennington Road (Route 31) opposite to the juncture with Russell Hill Road; thence easterly to a point on the Frances-town Road at the juncture of Pine Ridge Road; thence for 400 feet easterly along Pine Ridge Road; thence southerly to a point 400 feet north and equidistant from both Forest and East Roads; thence southwesterly to the railroad right of way; thence northerly parallel and 400 feet east of Slip Road to the northeast corner of the Library property; thence westerly along Forest Road to a point 400 feet east of the Bennington Road; thence northerly, westerly, and southerly along the boundary of the Business District to a point opposite the southwest corner of the churchyard cemetery; thence westerly parallel to Forest Road to the point of beginning. Also included in this District: all land included within 400 feet of the high water mark around Otter, Sunset, and Zepher Lakes.

E. GENERAL RESIDENCE DISTRICT

The General Residence District shall observe the following regulations and restrictions:

1. It shall be principally a district of residences.
2. No building shall house more than four (4) families as permanent residents and no apartment shall be made above the second floor unless approved by the Building Inspector. The lot size shall be not less than one acre for each apartment. Off-street parking for two cars for each apartment must be provided.
3. There shall be between the nearest side of any public highway and the extreme front of any building a yard having a minimum depth of 100 feet. There shall be between the side and rear borders of any lot and the nearest part of any building a yard of not less than 50 feet.
4. The lot area shall be not less than two acres and frontage on a Class V or better highway of not less than 250 feet, provided however, that a lot with less acreage or frontage which is recorded in the Office of Register of Deeds at the time of passage of this amendment shall be deemed a conforming lot.
5. Business is prohibited in this District except as herein-after provided.
6. The following business will be permitted in this District: buying, selling, and exposing for sale home produce and products; maintaining and operating hotels, tourist homes, sanitariums, private schools, and recreational camps approved by the New Hampshire Board of Health or any other State regulatory body having jurisdiction over such enterprises, now or hereafter.
7. There shall be no restriction as to the type of residential building within this District providing regulations as to lot acreage, frontage, and setbacks are complied with.
8. Industry may be permitted within this District but shall be strictly confined to the Industrial Special Purpose Districts provided therefor.

F. GENERAL RESIDENCE DISTRICT BOUNDARIES

The General Residence District as defined in SECTION III E shall be bounded as follows:

This District, covering areas served by major roads, encompasses all land not contained in any other District herein defined. It should be noted that where major roads penetrate other Districts to outlying parts of town, land to a depth of 400 feet on either side of the road is included in this District. Such is the case on Forest and Peterborough Roads and portions of East and New Boston Roads.

G. RURAL/AGRICULTURAL DISTRICT

The Rural/Agricultural District shall observe the following regulations and restrictions:

1. It shall be primarily a district in which facilities to the benefit of agriculture and/or rural living are to be retained. Emphasis will be placed on the preservation of open space, rural tranquillity, woodlands, waterways, scenic views, historic and otherwise unique features.
2. (Lot size and frontage requirements will be determined by Amendment No. 1) provided however, that a lot with less area or frontage which is recorded in the Office of Register of Deeds at the time of passage of this amendment shall be deemed a conforming lot.
3. There shall be between the nearest side of any public highway and the extreme front of any building a yard having a minimum depth of 100 feet. There shall be between the nearest side or rear border of any lot and the nearest part of any building or structure on the lot a yard of not less than 50 feet.
4. All other regulations and restrictions applicable in the General Residence District are also applicable in the Rural/Agricultural District.

H. RURAL/AGRICULTURAL DISTRICT BOUNDARIES

The Rural/Agricultural District as defined in SECTION III G is located in the eastern, southern, and western portions of Greenfield and is bounded as follows:

Beginning at a point on the Lyndeborough border 400 feet east of Forest Road; thence northwesterly and 400 feet from and parallel to Forest Road to a point 400 feet southeast of New Boston Road. At this point a corridor of the General Residence District measuring 400 feet to either side of the New Boston Road extends to the juncture of Dunklee Hill Road. The District boundary resumes at a point 400 feet southwest of Miner Road and proceeds northerly on a line 400 feet southwest of Miner Road to a point 400 feet east of Forest Road; thence generally northwesterly 400 feet east of and parallel to Forest Road to a point 400 feet south of East Road; thence easterly 400 feet south of and parallel to East Road to its juncture with the Class VI portions of Pine Ridge Road; thence along Pine Ridge Road to Rand Brook; thence northwesterly along Rand Brook until 400 feet from the Francestown Road; thence 400 feet east of and parallel to the Francestown Road to the Francestown line; thence easterly and southerly along the Francestown and Lyndeborough borders to the point of beginning.

also:

Beginning at a point on the Lyndeborough border at the crossing of Russell Station Road; thence southerly, westerly, and northerly along the Lyndeborough, Temple, and Peterborough borders to a point 400 feet north of Gulf Road; thence easterly 400 feet north of and parallel to Gulf Road to Russell Station Road; thence southerly along Russell Station Road to the point of beginning.

also:

Beginning at the juncture of the Peterborough border with the east shore of the Contoocook River; thence northerly following the high water mark of the riverbank to the Bennington border, but interrupted by a strip measuring 400 feet to either side of Forest Road; thence easterly along the Bennington border to a point 400 feet east of Muzzey Hill Road; thence southerly east of and parallel to Muzzey Hill Road to the west side of the railroad right of way; thence southerly along the railroad right of way to a point of crossing of Otter Brook; thence, with an interruption across Forest Road, to a point on Otter Brook 400 feet south of Forest Road; thence resuming southerly along the west bank of Otter Brook to the Peterborough line; thence westly to the point of beginning.

Continuing with Amendment No. 5

(d) in SECTION IV, add the following paragraphs:

- G. In any district, a resident may personally conduct upon his property a yard sale, garage sale, barn sale, tag sale, or similar sale by any other name, of personal property, provided same does not interfere with the safety, convenience, and general welfare of surrounding property owners, upon receipt of written permit following application to the Board of Selectmen. Such permit shall be limited to one such sale not to exceed three continuous days. A maximum of three permits per year may be granted in any one calendar year.
- H. The Board of Adjustment may, by special exception, permit in any district elderly housing or any municipal or similar use provided that the building conforms in general value to other structures in the neighborhood and the use does not substantially reduce the value of existing property in the neighborhood.
- J. No property shall be used in such a manner so as to create excessive noise, a public nuisance, or to depreciate the value of surrounding property.

COMMENT: Amendment No. 5 would re-zone the town into four districts with lot size and frontage requirements tailored to Master Plan goals of directing growth along major highways and the preservation of a rural atmosphere in outlying areas.

Amendment No. 6. Amend SECTION IV, GENERAL REGULATIONS AND RESTRICTIONS by adding the following paragraph:

- F. Junkyards are not permitted in any district.

COMMENT: This would prohibit the establishment of junkyards in the town. Existing junkyards would not be affected by this amendment.

Amendment No. 7. Amend SECTION IV, GENERAL REGULATIONS AND RESTRICTIONS by adding the following paragraph:

- I. No residential building in any district shall be greater than 35 feet or two stories in height. For purposes of this ordinance, an attic used for household storage only is not considered a story.

COMMENT: Residential buildings would be limited in height for public safety reasons.

Amendment No. 8. Delete SECTION VII, BOARD OF ADJUSTMENT and replace with the following:

SECTION VII, BOARD OF ADJUSTMENT

The Board of Adjustment shall consist of 5 regular members who will be elected and 3 alternate members to be appointed by the Moderator after the adoption of this amendment, as the terms of the present members expire. If any position on the Board is unfilled, the Moderator shall appoint a member to serve until the next election.

A. Powers of the Board. The Board of Adjustment is hereby authorized and empowered to adopt such rules or organization and procedures as are necessary for the efficient administration and enforcement of this Ordinance. In addition, the Board of Adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is an error in any decision made by the Building Inspector in the enforcement of this Ordinance.
2. To hear and decide special exceptions to the terms of the Ordinance upon which the Board is required to pass under the Ordinance.
3. To authorize upon appeal in specific cases such variance from the terms of the Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship and so that the spirit of the Ordinance shall be observed and substantial justice done.
4. Any other power authorized to a Board of Adjustment by virtue of Chapter 31, Sections 60-89, N.H. Revised Statutes Annotated, 1955, as amended.

- B. Appeals to the Board of Adjustment may be taken by any person aggrieved or by an officer, department, board or bureau of the Town affected by any decision of the Building Inspector. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the Building Inspector from whom the appeal is taken and with the Board of Adjustment a notice of appeal specifying the grounds thereof. The Building Inspector shall forthwith transmit to the Board all papers constituting the record upon which the action appealed was taken.
- C. Notice of hearing. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as notice to the parties in interest, and decide the same within a reasonable time. At the hearing, any party may appear in person or by agent or attorney.
- D. Appeals to the Superior Court. Within 20 days after any decision of the Board of Adjustment, any party to the proceedings or any person directly affected thereby may apply for re-

hearing. The Board of Adjustment shall grant or deny the same within 10 days. Within 30 days after the final decision of the Board of Adjustment an appeal may be taken to the Superior Court by any person aggrieved by the decision.

E. Conditions. In hearing all appeals and Special Exceptions under this Ordinance, the Board of Adjustment shall take into consideration the following:

1. Location, character and natural features;
2. Fencing and screening;
3. Landscaping, topography and natural drainage;
4. Vehicular access, circulation and parking;
5. Pedestrian circulation
6. Signs and lighting;
7. All potential nuisances.

In granting appeals and Special Exceptions under this section, the Board of Adjustment may impose such conditions as it deems necessary in furtherance of the intent and purpose of this Ordinance.

Before granting any Special Exception or Variance, the Board of Adjustment shall refer the application to the Planning Board for a report. The Planning Board's report shall be considered informational in character and may take into consideration the effect of the Special Exception or Variance proposal upon the character of the neighborhood or any other pertinent data in respect to the Master Plan for the Town.

F. Exemption. All Variances and Special Exceptions granted by the Board of Adjustment shall be valid for a period of two years after the date of the decision of the Board of Adjustment; provided, however that once substantial compliance with said decision has occurred or substantial completion of the improvements allowed by said decision has occurred, the rights of the owner or his successor in interest shall vest and no subsequent changes in the subdivision regulations or zoning ordinances shall operate to affect such decision. In the event that at the expiration of such two-year period substantial completion of the improvements allowed by that decision have not been undertaken, said decision shall be null and void and the owner must reapply to the Board of Adjustment for the Variance or Special Exception.

COMMENT: Amendment No. 8 is designed to bring the duties and responsibilities of the Board of Adjustment in compliance with State statutes and to provide for the election of Board of Adjustment members.

Amendment No. 9. Amend paragraph F in SECTION VI, ENFORCEMENT to read:

F. No building or structure erected or altered as specified in a permit issued under the terms of this ordinance shall be occupied or used, as a whole or part, until a Certificate of Occupancy has been issued by the Building Inspector or his

agent. A Certificate of Occupancy will not be issued until it has been ascertained that the applicant has satisfied the Building Inspector that all work has been completed in compliance with this Ordinance, the building, health, sanitary and safety codes and the energy codes of the State and Town. A copy of the operational approval issued by the New Hampshire Water Supply and Pollution Control Commission must be submitted, a water supply must be available, approved smoke detectors must be installed on all levels and be audible when activated in all sleeping rooms, and the driveway opening must be complete and receive the approval of the Road Agent (on Town maintained roads) before application for Certificate of Occupancy may be submitted. A Certificate of Occupancy shall be issued upon fulfillment of these requirements within one week of the receipt of completed application.

COMMENT: Amendment No 9 will help assure Zoning Ordinance compliance on new buildings or alterations by requiring a Certificate of Occupancy prior to occupying a new building or alteration.

Amendment No. 10. Amend SECTION II, DEFINITIONS, paragraph A to read:

"Home Produce and Products" means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household of the bona fide resident of any property.

COMMENT: Amendment No. 10 is a petitioned amendment which would include articles that are manufactured or altered as "Home Produce and Products".

Amendment No. 11. Amend the BUILDING CODE to include the following section entitled WATER POLLUTION CONTROL REGULATIONS:

PREAMBLE: Pursuant to the authority granted by New Hampshire RSA 147, the Town of Greenfield hereby enacts this amendment to the Building Code to promote the public health, safety and welfare within the Town.

SECTION 1. Purpose: The purpose of this amendment is to prevent the pollution of water supplies, groundwater and surface waters of the Town of Greenfield, New Hampshire resulting from improperly designed or installed waste water disposal systems.

SECTION 2. Scope: No person shall construct or alter any building or install a manufactured or mobile home requiring a waste water disposal system or the replacement of an existing system without submitting as a part of the request for a building permit a design plan for the proposed system approved by the New Hampshire Water Supply and Pollution Control Commission (NHWSPPC). A permit for the construction of a waste water disposal system will not be issued by NHWSPPC unless the application is accompanied by certification from the Building Inspector of the Town of Greenfield or his agent that the site testing has been done in conformance with these regulations and that the report is correct. Chemical disposal systems or holding tanks shall not be approved as a permanent system for new dwelling construction.

A. Applicable Regulations: WS 1000 as adopted with the latest revisions by NHWSPCC shall apply as a minimum requirement.

B. The habitation of the premises on which a waste water disposal system is being constructed is forbidden until NHWSPCC has issued a use permit. The violation of this provision shall constitute a violation of these regulations. The occupation of a premises on which a system is being repaired, altered or replaced shall be permitted only with a permit issued by the Greenfield Board of Health.

C. The applicant shall submit three (3) copies of the application plus all plans, design notes and soil test data for submission to NHWSPCC plus an addressed envelope with sufficient postage affixed, to the Greenfield Board of Selectmen for the certifications by the Building Inspector or his agent. All applications to NHWSPCC for a permit to construct a waste water disposal system in the Town of Greenfield shall be mailed directly from the Board of Selectmen's Office.

D. All deviations or waivers from the original submitted plan for any reason shall be subject to the approval of the Building Inspector or his agent.

SECTION 3. Fees: A fee of one hundred dollars (\$100) payable to the Town of Greenfield shall accompany each application.

SECTION 4. Inspection and Notice:

A. The Greenfield Building Inspector or his agent shall be present and concurring at the time of the percolation testing and the deep pit observation.

B. The Building Inspector or his agent shall conduct inspections consisting of but not limited to the following phases of construction:

1. Excavation. An inspection of the final grading of the leach field site before backfilling in the case of a raised system or the installation of stone and pip in the case of an in-ground system shall be conducted to ensure that the finished surface is in conformance with the provisions of WS 1000.

2. Fill. An inspection of one or more loads of the fill used to backfill or raise the leach field shall be conducted to assure conformance to the provisions of Section 5A of these regulations.

3. Stones and pipe. An inspection of the stone and pipe field and connections made shall be conducted to ensure conformance with all provisions of WS 1000.

4. Final Grade. An inspection of the finished grading around the leach field shall be conducted to ensure conformance to Section 5F of these regulations.

C. Inspections. Inspections shall be scheduled according to mutually agreeable times between the Building Inspector or his agent and the owner or his agent. It shall be the responsibility of the owner or his agent to inform the Board of Selectmen of the need for inspection and the scheduled dates.

SECTION 5. Special Provisions and Definitions:

A. Fill. The soils used as fill for raising or leveling the leach field to meet NHWSPCC regulations shall be fine to medium sand free of top soil or humas, gravel, dredgings, organic material or stone greater than six (6) inches across any dimension.

B. Set-back. The set-back of the waste water disposal system with one thousand (1,000) gallon or less septic tank shall capacity from wells, lot lines, open water or wetlands shall be in accordance with the Greenfield Zoning Ordinance. An additional fifty (50) feet shall be added for each additional five hundred (500) gallons of septic tank capacity for all set-backs.

C. Excessively drained soils. Soils classified by the USDA Soil Conservation Service as excessively drained which are found to be more coarse than those defined as fill in Section 5A shall be excavated and back-filled or raised a minimum of four (4) feet above the coarse soils. In either the case the fill shall meet the requirements of Section 5A.

D. Stony or very stony soil. Soils classified by the USDA Soil Conservation Service as stony or very stony shall be treated in the same manner as those under Section 5C.

E. Receiving layer. The receiving layer above bedrock, hardpan or seasonal high water table shall be defined as the actual measured distance less the topsoil, humus and debris depth that must be stripped.

F. Finish Grade. The finish grade surrounding the septic system and extending twenty-five (25) feet in all directions from the perimeter shall be such as to preclude standing and surface run-off water.

G. All other definitions shall be according to WS 1000.

SECTION 6. High Intensity Soil Survey: Those proposed building sites deemed by the Building Inspector to be problem areas shall, at the discretion of the Board of Selectmen, require the submission of a high intensity soil survey to accompany the application for a permit. This regulation applies to building sites on which an on-site septic tank and leachfield system are to be used for sewage disposal, and/or where wetland identification is required. In addition to any other town and state sewage disposal requirements for local subdivision and site plan reviews, or wetland zoning compliance, the following regulations shall apply.

A. Definitions:

1. Qualified Soils Scientist. A person qualified in soil evaluation and mapping whose education and experience meet the qualification requirements of the Hillsborough County Conservation District or Rockingham County Conservation District.

2. High Intensity Soils Map. A soils map of a parcel of land being considered for development on a perimeter survey, with a scale of one inch (1") not to exceed ten (10) feet, where soils are identified and mapped in accordance with the high intensity soils mapping standards adopted by the Hillsborough County Conservation District or the Rockingham County Conservation District.

B. Ground control shall be marked, by the applicant, both on site and on the site plan. The ground control shall consist of numbered flags, stakes, walls, trees or other easily identifiable points on the property. These points will be well distributed throughout the site at a density not less than four (4) points per acre within an area confined to the required house lot size surrounding the leach field site. The numbered points must be identified, by number, on the site plan. The purpose of this requirement is to provide easy identification for all parties required or interested in examining the site.

C. The location of all existing and proposed buildings, accessory buildings, driveways, sewer lines, water lines, and public and private roads and driveways on the site, and the general location of such features within 100 feet of its boundaries, shall be indicated on the site plan.

D. The High Intensity Soils (HIS) map shall be prepared by a qualified soils scientist who is qualified by the Hillsborough County Conservation District.

E. A paper copy of the HIS survey shall be provided to the planning board. In addition to the soils information provided by the survey, the map shall have on it the following:

1. The signature of the qualified soils scientist;
2. Any qualifying notes made by the soils scientist.

F. If a soils classification provided on the HIS map is in dispute, the building inspector or his agent, may request an evaluation of the soils designation by the Hillsborough County Conservation District.

G. An alternate leachfield site must be left open and is not to be used for the siting of any incompatible purpose, including but not limited to a driveway or structures of any type. Parking areas may be located over the designated leachfield area when chambered systems are to be used.

H. The alternate leachfield area shall meet all of the requirements of the primary system.

SECTION 7. Penalties: Violation of these regulations shall be punishable by a fine of twenty-five dollars (\$25) a day until the violation is corrected.

SECTION 8. Liability: Approval or certification of design data or construction by any agent of the Town of Greenfield shall not cause the Town or its agents to be held liable in the event of a system failure of any nature.

SECTION 9. Saving Clause: Any regulation found to be invalid shall not invalidate the remaining provisions.

COMMENT: Amendment No. 11 is proposed by the Septic Regulation Committee formed by the Board of Selectmen. The proposed regulations supplement WS 1000 State of New Hampshire Subdivision and Individual Sewage Disposal System Design Rules.

Article 1C: To vote by ballot on the following question:

"Shall we adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?"

Town Meeting will recess until 7:00 p.m. on Friday, March 13, 1987 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 3: To raise and appropriate such sums of money for the operation and maintenance of Town Property, Social Security, Town Officers Expenses, Debt Service, Insurance, Planning Board Expenses and any other charges arising within the Town as proposed under "Allocation of Appropriation Under Article 3" printed elsewhere in this report, or take any action relative thereto.

Article 4: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town Charges in anticipation of taxes, or take any action relative thereto.

Article 5: To see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money for the state, federal or other governmental unit, or private source which becomes available during the year.

Article 6: To see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto.

Article 7: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

Article 8: To see if the Town will vote to raise and appropriate the Recreation Committee \$ 9,000 for the support of recreation programs, \$ 1,800 to be raised through taxes and \$ 7,200 to be raised through fees and charges, or take any action relative thereto.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$ 9,652 for the support of the Stephenson Memorial Library allocated as follows:

Heat	\$ 600
PSNH	475
Telephone	325
Salary & S.S.	5,964
Books	2,550
Records	50
Maintenance	400
Programs	130
Supplies	200
Training	230
Miscellaneous	50
Magazines	475
Total Operating Budget	<u>\$ 11,449</u>
Less Trust Fund Income	1,690
Less State Aid	<u>107</u>
	\$ 9,652

or take any action relative thereto.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$ 125,648 for the support of the Department of Public Works to be allocated as follows:

Regular Wages	\$ 39,888
Part time & Overtime	10,000
Cold Patch	800
Culverts	1,000
Dust Control	500
Gasoline	3,500
Fuel & Diesel	3,500
Lubricants	750
Miscellaneous	2,000
O2 & Ace	100
PSNH	900
Equipment Rental	9,500
Sand	7,000
Salt	2,000
Telephone	500
Vehicle Maintenance	6,500
Plow & Sander Maint.	2,000
Block Grant	
Gravel	8,000
Shimming	15,000
Culvert Bridges (2)	<u>12,210</u>
	\$ 125,648

or take any action relative thereto.

Article 11: To see if the Town will vote to raise and appropriate the sum of \$ 12,000 to be used solely in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto.

Article 12: To see if the Town will vote to appropriate the sum of \$ 3,300 for the purchase of a new plow for the Department of Public Works and authorize the withdrawal of the amount required for this purchase from the Federal Revenue Sharing Fund.

Article 13: To see if the Town will vote to raise and appropriate the sum of \$ 20,000 to purchase a new one ton truck with 2-3 yard dump body and plow for the use of the Department of Public Works, or take any action relative thereto.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$ 29,175 for the support of the Recycling Center to be allocated as follows:

Regular Wages	\$ 6,250
Miscellaneous	400
Gasoline	350
Wilton Recycling Ctr.	<u>22,175</u>
	\$ 29,175

or take any action relative thereto.

Article 15: To see if the Town will vote to discontinue the right of way known as Burke Road, connecting Cavender Road to what is known as Petersfield in the Town of Peterborough, or take any action relative thereto. (By Petition)

Article 16: To see if the Town will vote to raise and appropriate the sum of \$ 15,725 for the support of the Fire Department to be allocated as follows:

Truck & Equip. Maint.	\$ 4,200
Mutual Aid Costs	1,100
Gas & Lube	800
Forest Fire	400
Training	500
Medical Supplies	300
Expense Reimbursement	2,000
Radio Repair	300
Chief's Salary	500
Building Maint.	400
Miscellaneous	500
PSNH	1,100
Telephone	475
Heating	1,800
Fire Prevention	150
Personal Equipment	<u>1,200</u>
	\$ 15,725

or take any action relative thereto.

Article 17: To see if the Town will vote to appropriate the sum of \$ 3,800 for the purchase of one new portable radio and eight pagers for the use of the Fire Department and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

Article 18: To see if the Town will vote to raise and appropriate the sum of \$ 40,256 for the support of the Police Department to be allocated as follows:

Chief's Salary	\$ 22,254
Special Officers	7,000
Cruiser & Radio Maint.	1,000
Retirement	1,680
Tires	500
Equipment	1,626
Gas & Oil	2,000
Miscellaneous	500
Training	2,500
Medicare	325
Probation Officer	871
	<hr/>
	\$ 40,256

or take any action relative thereto.

Article 19: To see if the Town will vote to raise and appropriate the sum of \$ 1,000 to allow the Selectmen to contract with a professional assessor to do pick up assessments of new homes, commercial properties and additions, or take any action relative thereto.

Article 20: To see if the Town will vote to raise and appropriate the sum of \$ 10,000 for the purpose of making the Meeting House handicapped accessible, or take any action relative thereto.

Article 21: To see if the Town will vote to raise and appropriate the sum of \$ 1,250 for the purchase of a flagpole to be placed on the Library lawn, or take any action relative thereto.

Article 22: To see if the Town will vote to raise and appropriate the sum of \$ 5,000 to be placed in the Capital Reserve Fund for the purchases of fire equipment, or take any action relative thereto.

Article 23: To see if the Town will vote to raise and appropriate the sum of \$ 10,000 to be set aside into a Capital Reserve Fund for the purchase of Department of Public Works Equipment, or take any action relative thereto.

Article 24: To see if the Town will vote to raise and appropriate the sum of \$ 5,000 to be set aside into a Capital Reserve Fund for the purpose of a complete revaluation of the town, or take any action relative thereto.

Article 25: To see if the Town will vote to raise and appropriate the sum of \$ 150 for the support of St. Joseph Community Services, or take any action relative thereto.

Article 26: To see if the Town will vote to raise and appropriate the sum of \$ 100 for the support of the Grand Monadnock Arts Council, or take any action relative thereto.

Article 27: To vote by paper ballot on the following question:

"Shall we adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax?"

Article 28: To see if the Town will vote to require the Selectmen to mail a true copy of the Warrant for the Annual Town Meeting and any Special Town Meeting to all registered voters of the Town of Greenfield at the time said Warrant is posted, or take any other action relative thereto. (By Petition)

Article 29: To see if the Town will vote to instruct the town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Greenfield unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual Town Meeting by written ballot. (By Petition)

Article 30: To see if the Town will vote to require the Town Clerk to notify the Chairman of the Conservation Commission within three (3) days of receipt of any application to dredge or fill land in the Town of Greenfield, or take any action relative thereto. (Requested by the Conservation Commission)

Article 31: To transact any other business that may legally come before this meeting, or take any action relative thereto.

Given under our hand and seal this twelfth day of February of our Lord nineteen hundred and eighty six.

TOWN MEETING

March 11, 1986

Town Elections

Meeting was called to order by Moderator, Peter Hopkins, at 10:00 a.m. to act on Article I of the warrant - election of Town Officers for the ensuing year, also Article IB to vote on six proposed amendments to the Zoning Ordinance proposed by the Planning Board, two amendments (6 & 7) proposed by petition and approved by the Planning Board which will require a two thirds majority to be passed and (Article 9) proposed adoption of RSA 466:30-a Dog Control Law submitted by the Board of Selectmen.

Polls opened at 10:00 a.m. and closed at 7:00 p.m. after which the ballots were counted, 221 ballots were cast, 3 of which were absentee.

Gardner Glover led the pledge of allegiance to the flag. Prayer by the Rev. John Eaton. Moderator read the warrant. Checklist was read by Louise Russell, acting Supervisor of the Checklist with 625 names.

Article I Election of Officers for the Town of Greenfield, N.H.

SELECTMAN FOR THREE YEARS - Richard G. Buswell had 191 votes and therefore elected for the ensuing three years (7 write in votes)

SELECTMAN FOR ONE YEAR - Barry O'Dwyer had 96 votes, Steven Robertson had 107 votes, therefore Steven Robertson elected for the ensuing year.

TOWN MODERATOR FOR TWO YEARS - Peter Hopkins had 201 votes, therefore elected for the ensuing two years (1 write in)

TOWN TREASURER FOR ONE YEAR - Patricia Putnam had 177 votes, therefore elected for the ensuing year. (10 write in votes)

TAX COLLECTOR FOR ONE YEAR - Robert C. Geisel, Jr. had 211 votes, therefore elected for the ensuing year. (1 write in)

FIRE CHIEF FOR ONE YEAR - James Conway had 209 votes, therefore elected for the ensuing years. (2 write ins)

OVERSEER OF PUBLIC WELFARE FOR ONE YEAR - Diane Naylor had 204 votes, therefore elected for the ensuing year. (3 write ins)

LIBRARY TRUSTEE FOR THREE YEARS - Margery S. Buswell had 202 votes, therefore elected for the ensuing three years.

TRUSTEE OF TRUST FUNDS FOR THREE YEARS - Marjorie L. Aiken had 210 votes therefore elected for the ensuing three years. (1 write in)

BUDGET COMMITTEE FOR THREE YEARS (Vote for Two) - Ken Clarke had 103 votes; David Paro had 126 votes; Linda Stewart had 131 votes, therefore David Paro and Linda Stewart elected for the ensuing three years. (2 write in votes)

BUDGET COMMITTEE FOR ONE YEAR (Vote for Two) - Raymond M. Cilley had 173 votes and Aileen Varnum had 173 votes, therefore Raymond Cilley and Aileen Varnum elected for the ensuing year. (2 write ins)

PLANNING BOARD MEMBER FOR THREE YEARS (Vote for Two) - Jarvis Adams III had 187 votes; Joel W. Maiola had 154 votes and Lowell Rheinheimer had

46 votes, therefore Jarvis Adams, III and Joel Maiola elected for the ensuing three years. (1 write in)

TOWN AUDITOR FOR ONE YEAR (Vote for Two) - Dorothy Hilton had 184 votes and Laura Sparling had 178 votes, therefore Dorothy Hilton and Laura Sparling elected for the ensuing year.

SCHOOL MODERATOR FOR ONE YEAR - Harvey Chandler had 186 votes (1 write in)

Proposed amendments to the Zoning Ordinance voted on, results below:

No. 1 - To help protect the groundwater by not allowing sewage disposal systems within 125 feet of any wetland, wetland soil, well, body of water or watercourse, intermittent or otherwise. Passed with following vote:
Yes - 139 votes
No - 74 votes

No. 2 - To establish Residence District A as a district of single family residences with provisions for accessory dwelling units ("Mother in-Law" apartments) by special exception. Effective until Town Meeting 1987. Passed with following votes
Yes - 128 votes
No - 84 votes

No. 3 - To allow a change to a non-conforming use by special exception by the Board of Adjustment, and to permit the resumption of a discontinued non-conforming use within one year. Passed with following votes:
Yes - 114 votes
No - 74 votes

No. 4 - To permit a professional use or customary home occupation in any district as a special exception by the Board of Adjustment. Passed with following:
Yes - 151 votes
No - 58 votes

No. 5 - To define "home produce and products" to allow foodstuffs, cordwood, or timber harvested from the property of a resident to be bought and sold in any district, provided a nuisance is not created thereby. Passed with following vote:
Yes - 174 votes
No - 41 votes

No. 6 - To delete industry as a permitted use within the business district, provided that properties in active industrial use within the business district when this amendment is passed and adopted may continue indefinitely in their present use as permitted by Section V of the Zoning Ordinance. Submitted by petition. Did not receive the two thirds majority vote. Recorded as follows:
Yes - 135 votes
No - 77 votes

No. 7 - To authorize the Board of Adjustment to permit light industry within the Business District as an exception, and to establish conditions to assure that it creates no offense to its neighbors, or nuisance to the community. Submitted by petition. Passed with the two thirds vote as needed:
Yes - 151 votes
No - 64 votes

No. 8 - To add a section to the Building Code so as to enforce compliance with recommended practices for the preservation of ground water in the siting and installation of sewage disposal systems.
Passed with following votes: Yes - 123 votes
No - 88 votes

No. 9 - Shall we adopt the provision of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such? Passed with following vote:
Yes - 131 votes
No - 79 votes

Meeting adjourned at 7 p.m. to reopen Friday night, March 14, 1986 for Town Meeting when Article II and remaining articles of the warrant will be voted on.

Continued Town Meeting - March 14, 1986

Meeting opened at 7:10 p.m. with the salute to the flag led by the Girl Scout Troup. Moderator, Peter Hopkins, read the State of the Ballot. Before proceeding, Mr. Hopkins instructed the assembly on procedure to be followed during the meeting.

Article 2 - Moved and seconded to raise and appropriate \$116,351 to cover town budget as proposed on page 13. Budget Committee recommended. Voted in the affirmative.

Article 3 - Moved and seconded to authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto. Voted in the affirmative.

Article 4 - Moved and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto. Gary Russell questioned Conservation report regarding: Amendment #7 voted by ballot at Town Meeting on March 11, concerning the installation of sewage disposal systems. He questioned the validity of the statement "that the State no longer monitored the installation of sewage systems." Robert Smith, Chairman of the Conservation Committee stated he had been to many meetings and the State had admitted they had not been able to verify all testing for sewage systems and they had encouraged the towns to make regulations in keeping with State regulations. It was generally felt that people were not fully informed as to what they had voted. The Moderator stated that we could not change the vote at this time, but suggested that if it was felt necessary to challenge the amendment, they might petition the Selectmen or the Planning Board for a Special Town Meeting to reconsider this amendment. James Conway, Fire Chief read the report of the Fire Study Committee as follows: "Discussion centered on repairs needed to be made on the 1974 International Pumper. The Committee determined that due to the rusting of the truck's body, which is causing it to collapse over the wheel wells and push apart at the compartment seams, replacement of the body is advisable. Specifications were drawn up and the project was put to bid last fall. Based on the bids received, Article 15 on the warrant requests \$25,000 to do the necessary work. The Committee would like to continue its work in 1986. As reported last year by this committee, replacement of the 1965 Tanker Truck will need to be considered in the next few years. Because of this pending issue, we would like to continue to serve the town studying the issue of truck replacement." Request to continue committee accepted. Vote to accept Article as presented orally and written in Town Report. Voted in the affirmative.

Article 5 - Moved and seconded to see if the Town will authorize the Selectmen to apply for, accept, and expend without further action by Town Meeting, money from the State, Federal or other government unit, or private source which becomes available during the year. Voted in the affirmative.

Article 6 - Moved and seconded to see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto. Voted in the affirmative.

Article 7 - Moved and seconded to see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by Tax Collector's deed, by public auction (or advertised sealed bid) or

in such other manner as determined by the Selectmen as justice may require. Voted in the affirmative.

Article 8 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$116,415 for the support of the Department of Public Works. It was explained that the increase of \$344 over last year's budget gave a 7% salary increase. Question regarding the \$700. appropriated for the STOP sign installation, Bruce Gagnon said there would be 15 STOP signs going up. Question regarding \$12,441 for Cavender and Old Bennington Roads when there is a \$25,000 requested in a later article regarding the Cavender and Old Bennington Roads. It was explained that this is State money provided in a block grant and is additional to the \$25,000 being asked for in later article. It was noted that the price of gasoline is going down but was decided to leave article as is. Voted in the affirmative.

Article 9 - Moved and seconded to see if the Town will vote to raise and appropriate the Recreation Committee \$9,000 for the support of recreation programs, \$1,800 to be raised through taxes and \$7,200 to be raised through fees and charges, or take any action relative thereto. Voted in the affirmative.

Article 10 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$23,500 for the support of the Recycling Center. Question whether we were still hauling as much to Wilton as before, answer, yes. Voted in the affirmative.

Article 11 - Moved and seconded to see if the Town will vote to appropriate the sum of \$1,500 to defray the costs of moving a small wooden building to the property known as the Fairgrounds and authorize the withdrawal of the amount required for this purpose from the Capital Reserve Fund known as the Otter Lake Fund, for the purpose of parks and recreation equipment, or take any action relative thereto. Sharon Gordon requests that the article be amended to insert "raise and" appropriate. It was explained that this is a small wooden building now located in Miller State Park which the State will give to the Town but Town has to move it. Voted in the affirmative.

Article 12 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$300 to purchase materials for the construction of foot bridges on recreation trails or take any action relative thereto. (Submitted by the Conservation Comm.) They plan to construct a trail around the beaver pond at the Fleck Conservation Area and would need to construct two foot bridges, if they can get easement agreements from the abutting land owners. Voted in the affirmative.

Article 13 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$14,242 for support of the Fire Department. James Conway, the Fire Chief requested article be amended to read \$14,742, change in amount designated for Personal Equipment to read \$1,000 instead of \$500. as he hopes to get more volunteer in the Department and would need the extra funds. Voted in the affirmative.

Article 14 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the Capital Reserve Fund for the purchases of major equipment, or take any action relative thereto. Show of hand vote, only 2 dissenting votes, vote in the affirmative.

Article 15 - Moved and seconded to see if the Town will vote to appropriate the sum of \$25,000 to purchase a new body for the 1974 International Fire Truck, of which \$5000 is to be raised from taxes and \$20,000 to be withdrawn from the Capital Reserve Fund established for the purchases of major equipment, or take any action relative thereto. Moved to add "raise and" . This is an accurate figure since they received four bids Voted in the affirmative by show of hand vote (100 %) all yes, no nos.

Article 16 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$12,000 to be used solely in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto. Budget Committee explained this is an increase of \$2,000 over last year but felt with increased costs, also that this would go a little further. Vote in the affirmative.

Article 17 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$31,475 for the support of the Police Department or take any action relative thereto. Budget Committee Chairman, Wayne Gordon explained the raised salary because the increased amount will be necessary to hire a properly certified officer. Question asked as to what is being done for coverage until a full time chief can be hired. Roger Phelps, a retired State Trooper will be coordinating the services, between help from the State Police and part time officers the Town will be covered until a full time chief can be found. Question if Shep had been considered to run office on part time basis but was felt Town needed full time coverage. Article voted in affirmative.

Article 18 - Moved and seconded to see if the Town will vote to authorize the Moderator to appoint three alternate Zoning Board of Adjustment members, or take any action relative thereto. Vote in the affirmative.

Article 19 - Moved and seconded to see if the Town will vote to appropriate the sum of \$12,000 to purchase a new police cruiser and authorize the withdrawal of this amount from the Capital Reserve Fund established for the purchase of major equipment, or take any action relative thereto. Add "raise and" to article. Vote in the affirmative.

Article 20 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$700 for a set of New Hampshire Revised Statutes Annotated and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. Vote in the affirmative.

Article 21 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$1,150 for a new copier with maintenance agreement, and authorized withdrawal of the amount required from the Federal Revenue Sharing Fund. Vote in the affirmative.

Article 22 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$1,000 to allow the Selectmen to contract with a professional assessor to do pick up assessments of new homes, commercial properties and additions, or take any action relative thereto. Vote in the affirmative.

Article 23 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$3,500 for hose and fittings for the Fire Department and authorize the withdrawal of the amount required from the Federal Revenue Sharing Fund. Vote in the affirmative.

Article 24 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$12,989 to pay off the following debt service: Purpose: 1986 & 87 Fairgrounds note and interest \$12,989, using money from Tax Sale property as voted at meeting last year, or take any action relative thereto. Voted in the affirmative.

Article 25 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$7,757 for the support of the Stephenson Memorial Library or take any action relative thereto. Vote in the affirmative.

Article 26 - Moved and seconded to see if the Town will vote to elect the Tax Collector for a three (3) year term beginning at Town Meeting 1987, or take any action relative thereto. Vote in the affirmative.

Article 27 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$25,000 to widen and gravel portions of Cavender Road and the gravel section of Old Bennington Road, or take any action relative thereto. A debate on scenic roads in Greenfield was initiated Great deal of discussion as to whether the gravel section of the Old Bennington Road was in fact a scenic road. Bruce Gagnon said the State declared no scenic roads in Greenfield, Judd Gregg seemed to remember this section being declared and voted in Town Meeting in 1972 or 1973, Selectmen to search the records to find out if this is a scenic road, and if so the guidelines would have to be followed for scenic roads. Motion made to postpone article until it is determined whether scenic road or not. Show of hands, 41 yes and 41 no tie vote. It was pointed out that if this is tabled work will not be able to be carried out on the roads this year, except by special town meeting. Show of hands, 24 yes and 59 no votes. Joel Maiola suggested amending article to delete widening. Several people spoke on need for widening because of danger and not being able to pass on road. Vote amendment as Negative. Article voted in the Affirmative.

Article 28 - Moved and seconded to see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Greenfield and the State of New Hampshire and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such plan. (by petition) Barry Winchester spoke on the article since he had circulated the petition and put the article in the report. The technology for burying this type of waste has not been developed enough to be sure of long term containment. Judd Gregg told of plan of working toward getting NH taken off the list and feels that NH will be taken off, best possible cite should be in salt or lava, NH land formation is not felt to be appropriate by group of scientist working on the problem. People should get involved and send coherent messages to Washington that we do not want this cite here. Vote in the affirmative.

Article 29 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$2,500 to purchase a phone system for the Town Offices, or take any action relative thereto. Vote in the affirmative

Article 30 - Moved and seconded to see if the Town will vote to appropriate the sum of \$2,200 for painting of the exterior of the Town Offices and authorize the withdrawal of this amount from the Federal Revenue Sharing Fund. Vote in the affirmative.

Article 31 - Moved and seconded to see if the Town will vote to adopt a parking ordinance for the downtown area, or take any action relative thereto. The proposed parking ordinance, "All parking on Slip Road from the Route 31 intersection to the Northern entrance to Depot Street shall be limited to a two hour duration. No roadside parking shall be permitted on Forest Road from the entrance to the Library Parking lot westbound to the entrance to the Fire Station." Vote in the affirmative.

Article 32 - Moved and seconded to see if the Town will adopt Welfare Guidelines as required by NH RSA 165:1,II, or take any action relative thereto. Motion made and seconded to pass over the article, as Town does not need to vote, Selectmen can adopt. Vote to pass over article.

Article 33 - Moved and seconded to see if the Town will authorize the Selectmen to use computers in the preparation of the tax bills and tax warrant, or take any action relative thereto. Vote in the affirmative.

Article 34 - Motion made and seconded to transact any other business that may legally come before this meeting, or take any action relative thereto. Shep Burrage was called down front and presented with a plaque by Roscoe Putnam, Chairman of the Board of Selectmen for his 11 years of Service to the Town in the capacity of Chief of Police, he received a standing ovation. Resolution proposed that all zoning amendments to be voted on be printed in the paper at least one week before it comes to vote so people get a chance to study what they are voting for. Sharon Gordon stated that there were two public hearings and a pre town meeting to discuss the zoning amendments. Question could ordinances be put on warrant rather than on the Ballot. It was felt the Town Meeting would be extremely long if this was the case. The Moderator stressed this was not a binding vote but a resolution. The people want assurance that everyone be more informed as to what they are voting on. Vote in the affirmative.

James Conway recommended that the Fire Truck Study Committee continue another year. Vote in the affirmative.

No further business to come before the meeting. Motion made to adjourn at 9:20 p.m.

A True Copy Attest: Francis F. Kendall
Town Clerk

Town Clerk swore in newly elected officials.

REPORT OF TOWN CLERK

ENDING 12-31-86

RECEIPTS:

DEPARTMENT OF PUBLIC WORKS

The year 1986 enabled the Department of Public Works to continue to make improvements on town road ways.

The following improvements were made to the road network. On sections of Slip Road trees were cut, stumps removed and banks were sloped. This work will make snow removal easier during the winter months. Francestown Road, Dodge Road and Pine Ridge Road were all improved by widening narrow sections and ditching to improve water run off. East Road, New Boston Road and Slip Road had sections shimmed and sealed.

The Cavender Road project got off to a late start this year because of debates on how the work should be done. This project should continue in the spring.

I would like to thank everyone that assisted me in 1986 in the performance of my duties.

Respectfully submitted,

Bruce Gagnon
Superintendent of Public Works

OVERSEER OF PUBLIC WELFARE

The year 1986 was a relatively moderate one for the welfare department. We served six families, consisting of twenty persons, ranging in age from 10 months old to sixty years old. These people were helped with food allowances, fuel, public service, rent and shelter.

Southern New Hampshire Services provides a fuel assistance program and a winterization program for low-income families. Some of our townspeople were enrolled in these programs.

Hopefully 1987 will be a quiet and happy year for all.

Respectfully submitted,

Diane Naylor
Overseer of Public Welfare

GREENFIELD POLICE DEPARTMENT

Since May 19, 1986 there have been several changes made in both the structure and operating procedures of the Greenfield Police Department. With these changes and the ones we hope to make this year, it is hoped we can give the citizens of Greenfield a better and more efficient Police Department.

From May 19th to December 31 there were many motor vehicle stops made which resulted in 301 court cases and 252 warnings issued. The department also issued 23 defective equipment tags. There were also 5 summonses issued for various O.H.R.V. violations.

On criminal cases there were 19 arrests made, with 3 of these being felonies.

There were 31 motor vehicle accidents investigated and unfortunately 2 of these were fatalities.

On criminal complaints, we responded to 3 domestic calls. We had 15 thefts reported with 8 of them being solved. There were 3 burglaries reported, with one being solved. 13 cases of criminal mischief were reported with 7 solved. Also restitution was made on 12 of 16 bad checks that were issued.

The Police Department assisted the Fire Department and other Police Departments on 29 occasion. We also assisted 14 stranded motorists.

On burglar alarms we responded to 19 business and 14 house alarms.

During the summer months we responded to the various summer camps for children and located 9 runaways and returned them to their camps.

Also drawn up were new parking regulations for the area downtown. These included more restricted area along Forest Road and a new all night parking ban during winter months.

At this time I would like to thank the citizens and business owners for their patience and understanding during the time of transition from one administration to another. I would also like to thank the members of the Highway and Fire Departments for their cooperation and assistance when requested and for the times they have volunteered their help without being asked. I would like to thank the Board of Selectmen and the town Administrative Assistant for all their help and encouragement.

Finally, I would like to thank members of my department, the Police Departments of the surrounding towns, the Hillsborough County Sheriffs Department, and the New Hampshire State Police for all the help they have been to the town and myself during the past year.

Respectfully submitted,
Chief Albion R. Lane

STEPHENSON MEMORIAL LIBRARY

The Trustees continue to improve the appearance of the Stephenson Memorial Library: new plantings along the front of the building and re-arrangement of the Librarian's office. Improvements in the document and record storage and overall efficiency were among accomplishments in the library in 1986. The Historical Society completed its memorabilia storage room.

Purchases and gifts in 1986 of new encyclopedias and reference materials such as the Readers' Guide to Periodical Literature increase the library's usefulness. Librarian Velma Stone continues to provide current fiction "best sellers" and a variety of current magazines.

Observance of the Statue of Liberty's 100th anniversary was the theme of the children's summer reading program, entitled "Freedom to Read - 168 Steps to the Torch of Enlightenment." Librarian Stone awarded certificates to the many children who successfully completed the program. This awards ceremony took place during the annual summer visit of The Little Red Wagon, the UNH traveling children's theatre.

In November, friends and patrons of the Library enjoyed a clothes-line exhibit of arts works of the Greenfield Elementary School children. Every week the town youngsters watch movies, hear Velma's stories, borrow books, and increasingly, love to read. Holiday children's parties and Operation Santa Claus were also popular events in the library year as was Librarian Stone's exhibit of her theatre programs of the 1930's-40's.

Katrina Jenkins gift to establish the John Jenkins Memorial Fund was spent on new plantings for the front garden. The 25 tulip bulbs due to blossom Spring, 1987 are in memory of Don Davis.

And, as always, the annual message of the trustees is: on a cold day, a hot day - just any day - come to the library to meet new friends and old friends. Find the current "best sellers", rediscover classics, sharpen your reading skills, browse in our many new reference books. Find food for thought and talk in the current magazines, and - always - a smiling welcome from Librarian Velma Stone.

Respectfully submitted,

Dorothy Howard, Chairperson
Margery Buswell, Secretary
James Crabtree, Treasurer

BUILDING INSPECTOR

The residents of Greenfield were busy renovating and building during the year 1986. A total of 71 building permits were issued, an increase of 17 over last year. The following is a breakdown of those permits:

- 19 - New Homes
- 16 - Additions
- 10 - Outbuildings
- 12 - Renovations
- 7 - Garage with breezeway
- 2 - Greenhouses
- 1 - Institutional renovation (CMRC)
- 1 - Garage with apartment

Victor H. King
Building Inspector

CONVAL SCHOOL BOARD REPRESENTATIVE'S REPORT

Once again, school issues are still pending at the time of this writing.

Teacher negotiations are pending, the budget, which I am a committee member, has not been finalized. There is certain to be an increase over last year due to a continued increase in student enrollment which has required added classrooms and teachers.

Very soon, the District will be faced with making a decision on which way we will go on buildings. The building committee will be going to all towns in the near future with information of possibilities then the choice will probably be made at a Special District meeting probably around June or soon after.

Respectfully submitted,

Roger W. Phelps
Greenfield School Board Rep.

GREENFIELD PLANNING BOARD

What began as a crowded agenda for the Planning Board became even more congested as the year progressed. Growth pressures affecting Peterborough and surrounding towns were increasingly in evidence here. However, under the guidance of our new Master Plan, the continued rush of land-transfer proposals was kept under control.

During the year the Board held hearings and took action on sixteen applications to subdivide, resulting in twenty-one new lots. Most were minor subdivisions, and were well distributed. In addition, seven site plans for non-residential use of land were reviewed. In all of these special attention was given to environmental and groundwater concerns.

The March Town Meeting brought approval by voters to six zoning amendments proposed by the Board and one offered by petition. In the same month, however, a dismaying development came to light. It was found that a total of fourteen amendments enacted at previous Town Meetings had been inadvertently passed without proper and correct advance notification in the respective Town Reports. This meant repetition of the entire procedure - public hearings, ballot preparations, a special town meeting. The situation was finally corrected at a special meeting superimposed on Primary election Day, when all questionable amendments were duly re-enacted and made legally viable.

A further unexpected development came in late summer, when an ad hoc Committee on Scenic Roads expressed concern about plans to widen and straighten portion of Old Bennington and Cavender Roads. In company with Committee members and a good number of interested citizens, the Planning Board walked both roads several times, found good reasons for concerns, and worked out agreements satisfactory to both sides. The walks were enjoyable and the discussions lively. It was gratifying to the Board that so many felt so strongly about the natural beauties of our scenic roadsides.

In October the Board was deeply saddened by the death of our former Chairman, Frank Dierauf. His many contributions in three terms as Chairman left us a legacy of high purpose that will not be forgotten. During the last months of his illness he was as always generous with good and wise advice. Greenfield owes him its gratitude.

As the year ended, the Board advanced toward ways of putting measures implicit in the Master Plan into effect. These include amendments to the subdivision regulations, and major redistricting provisions aimed to preserve and enhance the good life and good health of Greenfield.

David Hedstrom, Chairman
Joel Maiola, Vice Chairman
Jarvis Adams, III Cor. Sec.
Curtis Howard, Record. Sec.

Wayne Gordon, Alt. member

ANNUAL REPORT
CONSERVATION COMMISSION

During the past year, the Conservation Commission has been in contact with the abutters of the Fleck Conservation area to obtain easements to construct part of the foot trail around the beaver pond on private property. We are happy to report that the response from all of them was positive. Final agreements remain to be drawn up.

The Greenfield Youth Conservation Corps was inaugurated to involve our youth of junior high school age in an organized conservation program. One of our Greenfield youths, as a part of a school project, conducted a series of test on our lakes to determine the level of acidity. The equipment was supplied by the Conservation Commission. The results of the pH tests on these lakes are: Sunset Lake 4.7, Otter Lake 4.9 and Zephyr Lake 5.1. A pH of 7.0 is neutral or pure water and a pH of 4.0 is about the same acidity as orange juice. Aquatic life is threatened at a pH below 5.0.

The vote of the septic system regulations at the 1986 Town Meeting was declared illegal because of improper posting. As a result of several complaints concerning the stringency of the regulations, your commission voted to withdraw those submitted and serve on a committee appointed by the Board of Selectmen to draw up revised regulations as an amendment to the building code. These regulations are being submitted again for the Town's consideration: the need is urgent. While on the subject of septic systems, there have been a large number of failed systems reported. It is a proven fact that a failed leach field does pollute ground water. Since this is where we obtain our household water whether dug or drilled, this represents a localized hazardous condition. Greenfield residents are encouraged to report the appearance on the soil surface of effluent. Your commission recognizing that such conditions are a threat to the health and environment of the town, is volunteering as a clearing center for the reporting of such failures. We will investigate in confidence and report to the Board of Selectmen of NHWSPCC as the situation requires.

During the past year, we have participated in several hearings of the Zoning Board of Adjustment for wetland dredge and fill. To date, town administrator's have been doing a good job of maintaining control of the town's environment. We have noted that there have been many unreported violations of Greenfield Zoning Ordinances and State Dredge and Fill Laws. We are requesting that residents report what they feel are violations promptly. The Conservation Commission will investigate all reports in confidence before taking action. Recent investigations have shown that undisturb wetlands are vital to the environment; they must be protected.

OAK PARK FAIRGROUNDS COMMITTEE

1986 saw the continued development of the Oak Park Fairgrounds. Major improvements for the year included the construction of a new entry, complete with shrubs and flowers, installation of a flagpole in centerfield at the ball park, seeding of the open areas of the park and movement of the building, authorized by Town Meeting, to the grounds.

1987 promises to bring us another step closer to our goal of a quality recreational facility. Installation of new swings, continued clearing and preparation of long range plans head the list of activities for this year.

Despite the worst efforts of the weatherman, a day that changed from a fine mist to intermittent downpours, the Second Annual Oak Park Festival was held in July. Conditions failed to dampen the spirits of all participants, though many craft and flea market displays were affected. We were sure glad to have the new building! With this experience under our belts, plans for the 1987 edition are in full swing. Set aside Saturday, July 11 as a time to share with friends and family the events of the day. The committee wishes to extend an invitation to all members of the community to join our group. We offer a great, low pressure way to meet new friends and make a tangible contribution. New ideas and strong backs are always needed. Watch for reminders in the Greenfield columns of local papers.

As always, none of this development would be possible without the continued generous support of individuals and businesses and the hours of work by friends and neighbors. We look forward to a prosperous, productive 1987 and extend our gratitude to all those who have contributed to the development of this community asset.

Respectfully submitted,
Oak Park Fairgrounds Committee

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1986

Number Fires Statewide	840
Acres Burned Statewide	751
Cost of Suppression	\$ 275,956

District

Number of Fires	153
Acres Burned	49.6
Cost of Suppression	\$ 14,397

FIRE DEPARTMENT

The Fire Department answered 103 alarms in 1986. The calls were as follows:

Chimney 7	Mutual Aid 9
Brush 12	Partition Fire 1
Auto Accidents 13	Wire down 3
False alarms 6	Car fire 1
Smoke Investigation 4	Electrical 1
Medical Aid 37	Oil Burner 2
Structure 3	Misc. 5

On September 15, 1986 a fire at the Welcome House caused extensive damage. If not for the quick response of the mutual aid departments, this could have been a far more disastrous fire. 15 units from 8 towns responded to help battle the blaze, protect surrounding property and supply water from Sunset Lake.

The Department responded to 12 brush fires. Many of these fires were suspected of being started by careless discard of smoking materials.

The Rescue Squad responded to 37 calls for medical aid. The squad is still in desperate need of members. As of January we have only 5 certified Rescue Squad members.

I would like to take this opportunity to thank the citizens of Greenfield and the members of the department for their support of the Fire Department.

Respectfully submitted,

James Conway, Chief
Greenfield Fire Dept.

TOWN JOURNAL

1986 - A Year of Celebration and Change in Greenfield.

Greenfield students and teaching staff started the Centennial Celebration of the Greenfield School with the completion and fine presentation of their research projects of 100 years of education. The evening program in January concluded with "The Rainbow Song"...."The world is beautiful like a rainbow when you live in harmony".

Members of the Historical Society taught school one day as in days of yore - James Crabtree, reading; Jerry Adams, numbers; and Velma Stone, singing.

Sketches of our school made by the Greenfield students graced the cover of the Annual Reports of Conval School District. Congratulations to the students and staff were extended for their School Celebration contributions.

In April present school principal, Doug Pierson, greeted over 100 Alumni at the Reunion organized by former Alumni Marjorie Aiken, Anna Chute and Jerry Adams. The Greenfield Historical Society was the sponsoring group. The oldest alumnus in attendance was Arthur Blanchard who attended school here in 1907. Also present retelling "old pranks" were Doris Mason in school here in 1909 and Alice Cragin (Flanders), student in 1910. Pictures of former classmates, memorabilia, the students' displays - members of four generations families - Hopkins and Athertons in attendance - and Anna Chute's slides, the recollections, and comradeship - all made this a joyous event.

In January Donald Davis, summer resident since 1930 and full time citizen since 1960, received the Boston Post Cane in honor of being the town's oldest citizen.

February brought the Supreme Court decision requiring the resignation of Charles Burrage as Police Chief after eight years of service to the town. Following the proper procedures and after interviewing several candidates, the Selectmen appointed Albion R. Lane Police Chief in May.

The weatherman was unkind for the Second Annual Oak Park Festival. Even with the rain, the parade, the road race and children's games were successful. All who came were served a delicious chicken Bar-B-Q.

Scenic roads ordinance of 1972, which declared all unpaved roads scenic, was effective (after several meetings of the Planning Board) in saving the trees on Old Bennington Road.

The Reverend John Eaton resigned as minister to assume new duties in Clinton Heights, New York and was feted at a reception in June. The Reverend Joanne Stoughton has served as Interim Minister, attending to the spiritual needs and conducting the annual traditional town Candlelight Christmas Eve service at the church.

The Women's Club contributed drapes to the room in the

town office building - which added the finishing touch to the recently remodeled room. This gift was made possible from the proceeds of their successful 20th Harvest Fair.

At the conclusion of the Library's summer reading program "Freedom to Read" which was synchronized with the Statue of Liberty birthday - read up those 168 steps to the "Torch of Enlightenment" - the "Little Red Wagon of UNH" presented their program at the Celebration.

The Greenfield Historical Society along with its traditional Christmas Open House in a historical home has finished a room in the basement of the Library for their accumulated artifacts and memorabilia.

The Meeting House, having suffered the dark for several months, was finally lighted at night again with horrendous hazardous spotlights. The committee which was formed to attend to lights and ramp at the Meeting House have not yet accomplished their plans.

With the tenacity and determination of Caroly Woodbury to whom appreciation is expressed, the Recreation committee has again had events for all ages and made the Christmas spirit glow with our beautiful tree.

The Greenfield Inn, Bed & Breakfast was opened.

Roscoe Putnam reopened the General Store and later turned it over to Mr. & Mrs. Westaway.

Cheri McDaniel had hardly assumed ownership and started her business when there was a frightening fire at the Welcome House. The town rallied to her assistance. Special commendation must be recorded for our volunteer firefighters. Not only the many rescue call to which they have responded, but this fire and also the Robertson farm fire - just to mention a couple. We are grateful for their protection and the prompt cooperation of Mutual Aid.

December saw the completion and printing of Greenfield's Master Plan. Congratulations and commendation to the Planning Board and all who contributed to this over the past eight or nine years. We express a special note of gratitude for the fine dedication to Frank Dierauf who gave so much to this project.

Our town has been saddened this year by the deaths of prominent and beloved citizens - Remus McAllister, Elizabeth "Kit" Hopkins, Fred Briscoe, Donald Davis and Colonel Frank Dierauf. Their contributions to our town will be remembered.

Births Recorded in the Town of Greenfield, N.H. Ending 12-31-86

Date	Name of Child	Place of Birth	Mother and Father's Name
